A VISIONARY SENIOR EXECUTIVE, PIONEER IN SEVERAL ACADEMIC DISCIPLINES, ENTREPRENEUR, EDUCATOR, INNOVATOR, PRINCIPAL CONSULTANT, EXECUTIVE COACH AND MISSION AMBASSADOR

Dr. Johnson A. Edosomwan, Founder of NDCP, is a visionary leader, entrepreneur and innovator, widely recognized as one of the most respected intellectuals around the world. He is a pioneer in several academic disciplines, with experience in public and private sector organizations in several countries around the world. As a highly accomplished leader, he seeks to dedicate his skills, knowledge and best business practices to the betterment of the world.

Born into a poverty-stricken family in Benin City, Edo State and left fatherless at the age of two, Dr. Edosomwan fought hard to gain an education, juggling his school obligations with the demands of supporting his ill mother. He immigrated to the United States with a \$1,400 life savings and the hope of furthering his education. Dr. Edosomwan worked as a dishwasher, house cleaner, and newspaper deliveryman before earning enough money to begin his undergraduate studies at Miami-Dade Community College. From there, he earned his BSIE and MSIE from the University of Miami and went on to receive his Doctor of Science in Engineering Management and Economics from the George Washington University and his Professional Engineering Degree from Columbia University. Dr. Edosomwan is also the recipient of an Honorary Doctor of Divinity Degree from Virginia Union University.

Dr. Edosomwan served as Chairman of The Johnson A. Edosomwan Limited Liability Corporation, the Johnson A. Edosomwan Foundation, JJA Consultants, Inc., Innovative Best Business Consultant (IBBC), Radio Companion and the Continuous Improvement Company. He is a pioneer in Leadership and Management Development, Reengineering, Quality, Productivity, Customer Satisfaction, Innovation and Technology Management, Diversity Management and much more. As an executive coach and principal consultant, Dr. Edosomwan has helped over 6,000 organizations in numerous countries. He is credited for the development of over 425 performance and improvement tools, including the EBAT Performance Excellence Tool.

With experience and contributions spanning several continents, Dr. Edosomwan is the recipient of over 175 awards and citations including, "Men of Achievement in the World", "Who's Who of Intellectuals", "Who's Who in Distinguished Leadership", "Who's Who in Technology and Innovation", "Who's Who in Quality", "Who's Who in Productivity", and "Personalities of the Americas".
